MAY UPDATES FROM THE LAND USE COMMITTEE

The Land Use Committee reviewed two design review applications for custom homes in the Sutter Park project, with no objection. We continue to monitor the City's Permit Streamlining Ordinance, to be heard by the City Council on May 12. ESIA wrote a letter of support for the proposals.

RESTAURANT MEALS FOR SENIORS AND AT-RISK SACRAMENTANS

The City of Sacramento is partnering with local restaurants to provide three meals a day to seniors and high risk individuals during the COVID-19 stay-at-home order. These meals will meet nutritional standards and will be safely delivered to eligible Sacramento residents.
