3. Reports from standing subcommittees

a. Land Use—Brian

There are a number of ADUs in the pipeline, but ESCA has not been asked to comment on these as ESCA only reviews/comments on projects that require deviations. Brian & Tricia will discuss and report back.

Tricia reported that there is still no news on the timing for release of the General Plan revisions.

b. Membership

Report was deferred to the Executive Session.

c. Community Amenities—Kathy

Kathy had nothing to report. Tricia mentioned the new Neighbors Good Market taking place on Sundays from 8 to 1 at David Lubin Elementary School.

d. Neighborhood Safety—Nick

Nick reported on the two recent shootings in the neighborhood (E Street & Sutter's Landing). He also reported on the protest held this past weekend at the E Street Underpass to highlight the unacceptable increase of crime in the area. There was good news coverage.

Nick also reported that he witnessed several cars stopping by the E Street homeless encampment dropping off items such as lamps, coffee tables, etc. adding to the trash in the area of the campsite.

Also under neighborhood safety, Kathy reported that a neighbor who recently reported to the city two streetlights out in the McKinley Park panhandle area had been told that it would be 90 days before someone could be sent out due to staffing shortages.

ESCA General Membership meeting and the Candidate Forum were briefly discussed.
