Guest presentation— Megan Fidell – East Sac Holiday Concept

Megan presented on an idea to close off certain streets during the East Sacramento Fab 40s lighting display for bike and pedestrian traffic only. No specific dates were mentioned, but it would likely not be weekends. Sacramento Area Bicycle Association (SABA) supports, but the city is reluctant to get involved, lest it become a city-sanctioned event. ESIA recommended Fidell to do a neighborhood survey of directly affected streets before ESIA takes a position.
